

FAQ: How to insert License Key in Business Central

When you have received your License Letter containing your license key for your Shipment Connector you have to complete a few steps in Business Central

Your License Key will look something akin to the following: 69BAXXXX071BD7B3D42960255BAXXXXE49A39XXXX26D54F3E1XXXX613B3BF9+20231231+2

1.1 Opening up XtensionIT's License Manager page

Open up your Business Central environment and search for *About XtensionIT*

Tell me what you want to do		2	\times
About XtensionIT			
Go to Pages and Tasks			
> About XtensionIT	Administration		
Documentation			
⑦ Search Help for "About XtensionIT"			
Didn't find what you were looking for? Try expl	loring pages and reports		

1.1.1 Access the following via the ribbon: License Manager > App Registrations

1.1.2 Select the app you want to register a license for

App Registrations			
\wp Search $+$ New Manage	Actions \lor Automate \lor	Fewer options	☞ 7 ≣
Арр↑	Ienant Id	Environme	nt †
Webshipper Shipment Connector	: {00000000-0000-0	0000-0000-0000000000000000000000000000	

1.1.3 Afterwards select the following: Validate License > Enter a License Key
